

# FUEL HER FIRE

Join the 30-Day Match to FUEL HER FIRE.

"When I started at Girls Inc., I was 7 years old, I just came out of foster care and I was in a world of loss. Girls Inc. became my second home and made me feel more comfortable with who I am."

- Tyesha

Girls Incorporated of Sarasota County has 30 days to match \$70,000 and we need your help to fuel the future for girls like Tyesha in our community. Every dollar donated (up to \$70,000) will be matched dollar-for-dollar through August 24.

The 30-Day Match is fueled through the donations of National Honorary Board Chair, Donna Brace Ogilvie, who provides Girls Inc. with \$70,000 in grant money to match. Every dollar matched will be used to provide award-winning programs for girls ages 5-18 years of age. Programs that ensure that girls grow up strong, smart and bold. Programs like Dream Harbor where girls act as entrepreneurs creating products and services, hold jobs, make money and pay taxes.

For the next 30 days we encourage you to visit [GirlsIncSRQ.org](http://GirlsIncSRQ.org) to see our programs in action through 30 of our community's strong, smart and bold women and girls. Discover what has fueled the fire for our area's current and future business leaders, politicians, philanthropists and mothers.
